

How to find us

From Portsmouth and the East

Driving west on M27, exit J10 signposted A32 Alton

⚠️ Stay on A32 to Wickham. At the 2nd roundabout take the first exit, A334, leaving the Shell garage on your right. After approx 200 yards you see a bridge across the road: just before this, turn left down Mayles Lane (there is a signpost for North Park Business Centre). Remain on this road for about a mile and a half (be aware of the speed bumps): the road turns sharply with Knowle Village on your left and you'll see another signpost for North Park Business Centre to your right down a hill. Drive down this lane (again, take care over the speed bumps) and turn sharp right at the bottom, which brings you to the Business Centre. ETC occupies Units 1 to 3.

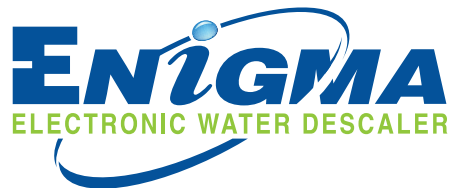

From Alton and the North

Coming south from Alton at Wickham turn right at the roundabout onto A334 and follow the above instructions.

From Southampton and the West

⚠️ Stay on M27 do not exit at J9 Fareham West.

There is no east bound exit at J10 so you need to exit at J11 signposted Fareham Central. Come back on yourself and rejoin M27 driving west, (4th roundabout exit, signposted Southampton). Exit M27 at J10 signposted A32 Alton, then follow directions above.
